Nine Oregon Academy members had the opportunity on September 22nd, 2015 to attend a breakfast honoring US Congressman Earl Blumenauer with other healthcare professionals. Congressman Blumenauer described his recent efforts in D.C. to about 150 healthcare professionals over breakfast at the Hilton Hotel in Portland, OR. Guests asked the congressman to support the need for dental coverage, medical professional education debt relief and standardization for nutrition coding.

Following the breakfast, Oregon Academy members Shannon Stember, Nicole Allen and Sarah Larimer approached Congressman Blumenauer for the need to support Child Nutrition Reauthorization.

Oregon Academy Policy Team 2015

Oregon Academy member John Gobble asking Congressman Bluemenauer to help support standardized nutrition medical coding between varying insurance agencies to assist RDN's in providing necessary services.
